

In March of 1989, the Meat Industry Suppliers Alliance (MISA) established the MISA Foundation Scholarship Fund. The purpose of the Foundation is to channel donations, through scholarships, to qualified students expressing an interest in the meat industry. This year they are offering one of these scholarships to one of our students. The scholarships are in the amount of \$3,000 each and will be awarded for the Fall 2006 term.

Listed are the qualifications:

- 1) Scholarship candidates must be at least sophomore year students
- 2) Scholarship candidates must have a least a 2.5 GPA
- 3) Scholarship candidates must be need recipients
- 4) Scholarship candidates must be US citizens.

If you are interest in the above scholarship and meet the requirements, please come by and pick up an application. A resume will also be required.

Deadline to have your application and resume back to Dr. Ames' office by March 1, 2006. Any questions, please let us know. Thanks.
